

**Notice to Students Regarding Viva Voce  
Examination (2018/2019)**

**Dear Students,**

Please be informed that your Viva Voce Examination for Industrial Training is scheduled for **February 20, 2025**.

Additionally, the Viva Voce Examination for Research Work will be held on **February 21 and 22, 2025**.

Kindly ensure that you bring your own laptops and any necessary equipment required to effectively present and demonstrate your industrial training and research work during the Viva Voce examination.

Please make sure that all necessary software and tools are installed and functioning properly before the examination to avoid any delays.

Your cooperation in this regard is greatly appreciated.
